

About Company

PLUS Career is one of the subsidiaries under COED Group, a global leader of career development consulting and education, founded in 2005. We have six branches in the U.S. including New York (headquarter), Washington D.C., Los Angeles, Shanghai, and Seoul. We have helped more than thousands of international students find the jobs in the U.S. We also have connections with about 500 partnership companies and provide them our recruiting service. We aim to help Chinese students find their career path and succeed in job searching.

College/University Seminar

PLUS Career continue to provide consulting service for students who are seeking their career path in the U.S. and have helped more than thousands of international students succeed in job searching in the U.S. We would like to provide colleges/universities professional career consulting seminars and invite our guest speakers who have strong background in education and career consulting and have strong experience helping Chinese students succeed in job searching in the U.S.

The contents of our seminar/speech may include:

- ✓ Job Situation in the U.S.
 - H1B application situation
 - Job situation for different major students
- ✓ How to find a job in the U.S.
 - How can Chinese students develop their networking in the U.S.?
 - How can Chinese students gain experience in the U.S.?
 - Strengths and weaknesses of Chinese students
 - How to prepare your resumes/ cover letters/ interviews?
- ✓ We can also invite CEOs and HR managers of our partnership companies to provide on-site networking and interview opportunities.
